Re: Returning Student Commitment

As we start the first semester of the school year, we need to recommit ourselves to the programs of Explorer Post 1010 and to our teammates. To make the programs work, we need to have information on how you plan to participate. We also need to collect the annual dues. Please read through the following statements and check the items that apply to you. Sign your name and return the form to Bob.

- I will attend Wednesday business meetings at least once a month, but just coming on Wednesday will not be enough to meet your commitment to your team.
- I will help with Post recruitment.
 - Support Open House (September 8, 2018)
 - Recommend one new member
- I will participate in my team's work sessions.
 - FTC - every Monday and Wednesday, and some Saturdays during 1st semester
 - TARC - every Wednesday, launches on Saturday once a month until April
 - Botball - every Monday and Wednesday, some Saturdays during 2nd semester
 - UAS - every Wednesday and practices on Saturday during 2nd semester
- I will participate in my team's major events.
 - FTC tournaments
 - TARC launches
 - Botball tournament
 - UAS competition
 - Botball global conference (July)
- I will participate in my team's outreach activities,
 - Silver Spring KIDfest (September 23)
 - Mentor FIRST LEGO League teams (September to February)
 - Robotics scrimmages and tournaments (December to February)
 - Middle school exhibits (January to March)
 - Rockville Science Day (April 28)
- I will pay my annual dues by the end of October (\$120 to "Explorer Post 1010").
- I will notify Bob and my team if I decide to not meet my commitment.

Student Name (printed)

Student Signature
