Directions and Map

Bullis School – Athletic Center
10601 Falls Rd
Potomac, MD 20854

The competition will be held inside the Athletic Center of the Bullis School in Potomac, MD. Driving directions can be found on the [Bullis Website](#). Please enter the School from Falls Road/Route 189. There will be signage directing you to the competition, but you can also follow the signs to the Athletic Center.

There is plenty of parking on the campus and security will be directing visitors to parking spots on the day of the competition. To facilitate load-in and -out, teams may stop at the entrance to the Athletic Center to drop off or pick up robots and supplies.

Event Information

Arrival: Please report to the check-in table upon arrival. This will allow us to quickly direct people to the appropriate areas. Have your safety glasses packed separately, so they will be available BEFORE your team enters the pit area.

Team must arrive with Consent and Release forms for all student and adult team-members or a roster printed out from the Team Information Management System (TIMS).

****Please call Sabrina Guedes (301-529-2980) if you are going to be late****

Robot Inspection: Please bring your robot to inspection as soon as possible after check-in. Remember to have your team numbers on the robot in large size, and make sure that your robot can accommodate the mounting of the Alliance Flag. Teams must pre-inspect their robots using the Inspection Checklists near the end of Part 1 of the Official Game Manual prior to arriving at the event and BRING PRINTED INSPECTION SHEETS. Remember to bring the REQUIRED bill of materials for non-TETRIX® parts.

Competition Supplies: Be sure to bring an extension cord & utility strip, safety glasses, battery chargers, and spare parts (all marked with your team number).

Pit Area: Please observe the boundaries of your pit and be kind to your neighbors. The Pit Area should stay clear of obstructions to traffic. Safety glasses must be worn in Pit Area at all times by every person in the Pit Area, this includes team members, coaches, mentors, and all visitors.

Gracious Professionalism: Team members are expected to demonstrate gracious professionalism at all times through their work within and beyond the team environment. Remember, Gracious Professionalism is a way of doing things that encourages high-quality work, emphasizes the value of others, and respects individuals and the community.

Food: Large Cheese and Pepperoni Pizzas will be available for \$15 each. Pizza orders must be submitted online through [this link](#) by Wednesday, 10 January at 3pm and must be paid via cash or cheque the morning of the event. There will also be some concessions sold at the event including water and coffee. There are not many off-campus options; see the map on the following page for nearby fast food. Because the lunch break is short, please do not plan to leave campus for lunch and instead send someone to pick up food for your team if you so desire.

First Aid: Please go to the Pit Administration table for basic First Aid supplies and alert the event organizers if more involved care is required.
